PERFORMANCE REVIEW

Our CEO Chanel embodies the values and goals of Animal Inc. and makes them become reality. Chanel bites her way through big business with ease – better not underestimate her teeth.

As a seasoned canine she takes leadership to the next level.

Our executive demands the best from her staff. *Your best cards that is!*

She is a never-stopping force of nature herself and can smell the fear of competitors, business partners and employees alike. If you really think you can do this job better, suit up and try to become CEO yourself one day!

Schmoozer!
Best boss ever!
Seriously.

Living in fear?

Beware
her smile!
It may be the
last thing you
ever see ...

Don't you dare
make her wait!

She knows
everything.
Everything! How
is she doing that?

Yeah, you wish!
