PERFORMANCE REVIEW

Our Chief Finance Officer is ensuring long-term liquidity and future investments. He takes on the meanest business sharks without hesitation.

Hamilton knows where to take his assets from. You want a larger budget? Get your story waterproof and give him your best! ... *your cards!*
Only if you can guarantee a profit in one way or another will you qualify for more than a wet handshake. Hamilton easily juggles funds, loans, write-downs, etc. After all you gotta watch the cash flow!

Rumor has it,
he takes a splash of
Martini in his tank
from time to time.

Workaholic!
Did he stay
overnight again?

FISH
First In Still Here

I simply love his
little golden chest.
