PERFORMANCE REVIEW

Confidence and the capability to make grunting sounds are the two essential traits for a senior leader like Gomez.

Gomez is busy all day, but not many know what he is really doing. He is happy to supervise, but does not like being bothered by day-to-day operations. *called real work!*
and anyone dares to question his contribution

But if a project falls short, he has no problem letting go of another useless employee. Gomez isn't afraid to be firm and presents himself in full hog shape whenever necessary.

Always hides
behind his desk.

He takes forever
in the rest room.
What is he doing
in there?!

I am totally fine
with not knowing
that.

Ask Linda what
he was hired for.
