## PERFORMANCE REVIEW

Linda is an example of perfectly balancing work and being a mother. <sup>of 2 dozen bunnies!</sup> She always has an open ear for the employees of Animal Inc.; whether you need to call in a sick day, get a job reference etc., our N-HR manager will find a patient and friendly way to help you. <sub>sometimes</sub>

Effortless multitasking would be our N-HRs superpower and things like throwing a company celebration on the side are not even worth mentioning.

The go-to person if you are in dire need of chocolate

Don't come between Linda and her morning coffee!!!

Remember to stop by N-HR to sign the farewell card for Jack Parrot!

Little rabbits everywhere! In the drawer, in the paper basket, behind the whiteboard ... everywhere!

But they are sooooo cute!
