PERFORMANCE REVIEW

Richard is a ~~clever~~ ^{sneaky} salesman. His white grin dazzles many customers. He is a fox that usually gets what he wants and makes the worst deal look like a treat to the other party.

He is probably one of the best at his field and Animal Inc. greatly profits from Richard's enjoyment of bamboozling others. Therefore, the company generously overlooks his quirks.

Chicks are the only ones who cannot stand him for some reason.

Quirks? Misdeeds!
He is selling luxury rip-offs on the side.

Pssst... Louis Fauxton watches next Tuesday!

The ****ing deluxe watch I purchased from him last week during lunch break is broken already. This ***** fox!!!

These teeth are not natural. He is using whitener for sure! Right?

You will never know.
